Additional Information

EducationUSA advising centers actively promote U.S. higher education around the world by offering accurate, comprehensive, and current information about educational institutions in the United States and guidance to qualified individuals on how best to access those opportunities. Millions of prospective students learn about U.S. study opportunities through EducationUSA centers around the world each year. EducationUSA North Macedonia has three EducationUSA Advising Centers and 4 active Competitive College Clubs helping more than 40 high school students reach their potential and goals to study in the United States.
